SAFEGUARDING AND PROTECTING CHILDREN POLICY STATEMENT

Race4Good[®] is committed to ensuring all children who take part in our online programmes and Frontline Experiences, have a safe, positive, and fun experience. The welfare of all children is paramount. All children, regardless of age, gender, race, religion, sexual orientation, ability or disability, have the right to enjoy our programmes in an environment safe from abuse of any kind.

Race4Good recognises the importance of safeguarding children and is committed to developing, and implementing, policies and procedures which ensure that everyone knows, and accepts, their responsibility in relation to a duty of care for children. We are committed to ensuring there are correct and comprehensive procedures for responding to, recording and reporting child safeguarding concerns. The Race4Good will endeavour to ensure all suspicions and allegations will be taken seriously, and that they are managed and dealt with swiftly and appropriately in line with Race4Good policy and procedures. We recognise that appropriate safeguarding is not just about preventing abuse but providing the best, positive environment for children to learn and have fun.

Race4Good is committed to ensuring that safeguarding and protecting children is central and as such encourages all schools and networks to have adopted and implemented this “Safe Hands” Safeguarding Policy.
