

RACE4GOOD® ONLINE PROGRAMME

Terms and Conditions

GENERAL CONDITIONS

Race4Good® is a Global Youth League online programme that mobilises students to engage in high-impact learning as they are challenged to confront real-life critical issues, with immediate implementation of winning solutions.

Race4Good targets leadership skills, diversity & inclusion, innovation, cultural sensitivity, and emotional intelligence, where student groups collaborate as a team with guidance from business mentors as they compete against other schools from around the world.

Each school team, comprising of students and international business leaders, competes to develop sustainable uplift plans that will change lives, forever. Through a fast-paced, online race format, teams are given a specific number of days or weeks to research real-life issues and develop business plans to uplift carefully chosen communities.

If you decide to participate in a Race4Good programme, you will be governed by these terms and conditions. By agreeing to participate, you confirm that all information provided by you is accurate. Any misinformation and/or misrepresentation may result in your school or students being excluded from the race and any future participation.
